Leader Development Seminar 2006 Donations

Fellow Alumni Brothers,

The Collegiate Brothers of the Alpha Sigma Chapter have the opportunity to attend the 11th Annual Leader Development Seminar (LDS) hosted by Phi Delta Chi, which will be August 2nd - 5th in Ann Arbor, Michigan. The cost (\$350 per Brother) has gone up from what you probably paid back in the day, so the Alpha Sigma Alumni Association has set a goal of raising \$1,000 to help Collegiate Brothers attend this seminar. In order to reach this goal, we need your help!

We are asking Alumni Brothers to kindly donate any monetary amount to help the Collegiate Brothers attend this seminar. This seminar is a great opportunity for the students to gain and develop leadership skills, which will be valuable in their careers as pharmacists. Below is an excerpt from the LDS brochure discussing what LDS is about.

The Phi Delta Chi Fraternity first offered the Leader Development Seminar in 1989 as part of Grand Council in Monterey, California. Since that time, hundreds of collegiate brothers have participated in an ever-evolving curriculum, designed to meet the needs of leaders for contemporary pharmacy practice. The seminar permits participants to explore topics for individual development and building teams.

New this year, returning LDS participants can look forward to an integrated track designed to continue skill development.. Advanced Participant attendees can gain hands-on experience, feedback on leadership from facilitators and develop relationships with prospective mentors.

Moreover, there will be opportunities to reunite with Brothers, discuss chapter happenings, meet with regional and national officers and meet Brothers currently unknown to you. Phi Delta Chi will also host its annual award program to name the 2006 Thurston Cup winner along with the other award recipients.

A Year In Review

Every year when asked to write a short article for the “Script”, my first thoughts are of the new graduates and how truly proud I am of them all. The graduates should all be proud of their scholastic achievements, their leadership at the College of Pharmacy and the devotion given to our fraternity. As colleagues in the profession, I am sure that all of you will find success and fulfillment within the field of pharmacy. I know that the Alpha Sigma chapter will be well represented throughout the country. Our history is rich with many success stories and our future looks bright for many decades to come. It is my sincere hope that the all the graduates consider membership in our Alumni Association and maintain a close bond to our Collegiate Chapter. The Alumni Chapter can serve as a bridge between scholastic and professional challenges.

This past year our chapter has once again proved its leadership role at the College of pharmacy. Our Brothers are proven leaders in the student organizations on campus, and have committed themselves to many social and community based projects within the Chicago community. This years Executive Board developed many dynamic ideas and new programs for our fraternity and college. The large number of pledges in this years pledge class could have been a major problem for the active chapter, but everyone pitched in and leadership and brotherhood prevailed. I am sure that the coming year we will see a continuation of great leadership, and I look forward to helping and working with the new officers.

On a personal level, I wish to thank all of you for your support and efforts pertaining to the Phi Delta Chi raffle. This year we raised a record amount of money and as you know, it all goes into our scholarship fund. As the fund grows, so does the monetary award given to the scholarship recipient. Years from now, long after your graduation, the Phi Delta Chi Memorial Scholarship will be a meaningful award given in part, by every Brother that has participated though the years to make it a success. There is no other scholarship on campus that has this unique feature of collegiate member interaction and participation, thus making it special. This year congratulations go out to Beth Nochowitz, our scholarship recipient.

Good luck and best wishes to all the P4's starting their clinical rotations. You have nearly reached that goal you set for yourself several years ago. Don't worry; this last year will go by quickly. Because all of you will be at many different sites, it may become difficult to coordinate activities with the collegiate chapter and communication with the chapter is often neglected. The chapter still needs and appreciates any interaction with the P4 class. I will personally see that the chapter goes the extra mile to keep all of you informed.

I wish all my Brothers a great summer!!

Fraternally Yours,

Ray Traficante
Alpha Sigma Alumni Association President
Alpha Sigma 388
